| About ISCEA exams preparation courses

“ *It is a comprehensive opportunity to really learn about supply chain, technology and strategy - Michael Atwater, Entergy Corporation*

*It puts you in contact with Supply Chain's new trends
- Donny Paniagua Ruiz, Florida Ice and Farm Company*

This was a great experience. Even after a long time of service, I still learned a lot - Neven Mladina, Kellogg Brown & Root

I gathered lots of information and ideas to be implemented in our current business projects - Shino Thomas, Theodore Wille Intertrade

*The course provides a different perspective. It clarified concepts that I previously perceived as too complicated to me
- Zamira Alfonso, Axionlog*

*My expectations were met. The content is updated and provides a good perspective on the Supply Chain
- Diana Diaz Porras, Colombina*

It is a practical course. I was able to improve both my skills and knowledge. I recommend it! - Rosa Oritz, General Motors

*There is a great amount of knowledge delivered
- Robinson Alejandro Prieto Camelo, Bimbo Group*

*Very good! Top level!
- Waldemar Nunez, Costa Rican Institute of Electricity*

The content is concrete and precise. It provides you with the power to influence corporate decisions - Amalia Sepulveda, Independence

*I recommend it for both those who need to learn the basics, and those working with these concepts on a daily basis
- Carolina Sánchez Barrantes, Freudenberg Medical*

” *I learned that any problem can be approached from different angles, but you have to remain focused on customer satisfaction and the organization's strategy - Rodrigo Alan Gonzalez Silva, Tyson Foods*
